

## HOW WE ARE STAYING COVID-19 SAFE

ALLMI Training Providers are being kept up to date with the latest COVID-19 related training delivery guidance and considerations

For training delivered by ALLMI directly, we are employing the following COVID-19 health and safety precautions:

The theory element (day one) of all courses is conducted online

Hand sanitisers and washing facilities are used throughout

Face masks are provided for all candidates

Candidates are asked not to attend site if they have any COVID-19 symptoms

Social distancing measures are in place to ensure instructors and candidates remain 2m apart

Classrooms and practical equipment are thoroughly cleaned before and after each use

For further information on our COVID-19 measures, please contact
